## INTRODUCTION

Appellant seeks relief for missing material records from the District Court which were not included in the Record which the District Court Clerk previously forwarded to this Circuit **Court**.

## SUMMARY OF FACTS

FRAP 11(b)(2) makes it the duty of the District Court Clerk to forward the record to the Court of Appeals stating:

”When the record is complete, the district clerk must number the documents constituting the record and send them promptly to the circuit clerk together with a list of the documents correspondingly numbered and reasonably identified.“

However it has become evident over the last few days that the District Court Clerk failed to forward the record to the Court of Appeals timely, because the District Court is producing significant new records that have only become available as documents with a “number” in the District Court today May 22, 2024. For instance today May 22, 2024 the District Court created 5 new records, docket #952, #951, #950, #949, #948. Docket #952 states

“05/22/2024. 952

TRANSCRIPT OF TESTIMONY OF JON TINTER before Judge Amit P. Mehta held on 09/28/2023. Page Numbers: 3226–3379. Date of Issuance: 05/22/2024. Court Reporter: Sara Wick, telephone number 202–354–3284. Transcripts may be ordered by submitting the Transcript Order Form

For the first 90 days after this filing date, the transcript may be viewed at the courthouse at a public terminal or purchased from the court reporter referenced above. After 90 days, the transcript may be accessed via PACER. Other transcript formats,

(multi-page, condensed, CD or ASCII) may be purchased from the court reporter.

NOTICE RE REDACTION OF TRANSCRIPTS: The parties have twenty-one days to file with the court and the court reporter any request to redact personal identifiers from this transcript. If no such requests are filed, the transcript will be made available to the public via PACER without redaction after 90 days. The policy, which includes the five personal identifiers specifically covered, is located on our website at [www.dcd.uscourts.gov](http://www.dcd.uscourts.gov).

Redaction Request due 6/12/2024. Redacted Transcript Deadline set for 6/22/2024. Release of Transcript Restriction set for 8/20/2024.(Wick, Sara) (Entered: 05/22/2024)”

On May 20, 2024, the Court created records #946, #945, #944, #943, #942, #941,

Further examples are on May 17, 2024, the Court created records #940 and on May 15, 2024 records #939, #938, #937, #936, #935, #934, #933, #931, #930, #929, #928. (Exhibit #1)

Each of these new records released by the Court including the aforementioned docket numbers is from testimony or trial dates that were submitted or occurred before Appellant intervened in the District Court case below and before dismissal.

The fact that these records were not docketed timely by the District Court or at least before it began the trial in the matter below is highly unusual and prejudicial to the Appellant’s right of due process in both this Circuit Court and the District Court.

Further, the District Court has opened each of these pre-finalized records to allow for the parties in the Court below to make edits and redactions to these docketed Pre-final records and such period has not ended. Therefore, none of these important District Court documents, which the Appellant requires be in this Circuit Court record, is even available yet in finalized record form because of the undersigned Court’s decision.

FRAP 10e(2) provides

“If anything material to either party is omitted from or misstated in the record by error or accident, the omission or misstatement may be corrected and a supplemental record may be certified and forwarded:

(A) on stipulation of the parties;

(B) by the district court before or after the record has been forwarded; or

(C) by the court of appeals.

(3) All other questions as to the form and content of the record must be presented to the court of appeals.”

## CONCLUSION

Therefore the Appellant seeks relief under FRAP 10e(2)© pr 10(e)(3)

because each of the aforementioned new records which have been created by the Court of a hearing or testimony that occurred prior to the date of the Appellant’s Motion To Intervene on the final day of the trial in the undersigned court must be considered material to the Appellant and is currently “omitted from or misstated in the record”, and it is only equitable that the record “be corrected and a supplemental record” be “certified and forwarded” for this case #24-5006

Dated: May 22, 2024

Respectfully submitted:
